

## **LOST DOG – REWARD \$\$\$\$**

Hi, my name is Katie . I am the beautiful Malamute on the right wearing a purple, gold and green feather boa. I am with my sister, Tasha, the striped Husky. My human family is standing behind me.

I got lost at the parade on Tuesday evening, February 16. One of the floats really scared me and I ran off down Market Street. I pulled the leash from my mom's hand and didn't come back when she called. I know that she is looking all over the island for me and is very worried about me. I know that my dog sister, Tasha, misses me too.

I am 10 years old, spayed and on medication and special dog food. I am wearing a red collar and red leash. I am a good dog and really want to go home. Please call my mom, Cheryl Clark, at 972-898-2881 or email her at [cheryllynnclark@msn.com](mailto:cheryllynnclark@msn.com) if you have seen me.
